Premium Line 121721110 - Single USA Face Plate

Product Overview

The Premium Line 121721110 Single USA Face Plate is a high-quality wall-mounted outlet plate designed for structured cabling installations. It is compatible with standard USA single-gang back boxes and supports keystone modules for data, voice, and multimedia connectivity applications.

Key Features

- Compatible with standard USA single-gang wall boxes
- Supports keystone jack modules
- Durable high-impact ABS plastic construction
- Professional and clean installation appearance
- Easy snap-in module installation
- Suitable for Cat5e, Cat6, Cat6A and multimedia modules
- Color: White
- RoHS compliant

Technical Specifications

Manufacturer	Premium Line
Part Number	121721110
Product Type	Single USA Face Plate
Mounting Type	Wall Mount (Single Gang)
Material	High-Impact ABS
Color	White
Compatibility	Standard Keystone Modules
Standards Compliance	RoHS
