

APC SurgeArrest Essential 230V

PME1WB-GR, PME1WU2B-GR, PME5B-GR, & PME5U2B-GR

You have invested a lot in the technology that makes your life easier and enjoyable. However, a single lightning strike may change it.

Protect your electronics from damaging surges and spikes with APC™ SurgeArrest™ Essential.

SurgeArrest Essential provides everyday surge protection for entry level PCs, household electronics, routers, modems and streaming media devices.

Surge protection LED

Illuminates when the APC SurgeArrest is on and supplying conditioned utility power to the plugged-in equipment

EMI/RFI noise filter

Protects from electromagnetic and radio frequency interference, valuable for maintaining AV quality and preventing keyboard lockups

Children Safety Shutters

Protect users from accidental contact with unused outlets

20-Year Warranty & €75,000 Equipment Protection Policy

Provide added peace of mind

USB Ports with Smart Charging*

2 USB Ports provide 2.4 Amps of charging power for your mobile devices & tablets.

Smart charging recognizes your devices and maximizes charging speed.

*PME1WU2B-GR and PME5U2B-GR only
