

# **DDS / DFP-SMDXLCS-20 / LC-SC Single Mode Duplex Patch Cord 20M**

## **Product Specifications**

Product Name	DDS / DFP-SMDXLCS-20 / LC-SC Single Mode Duplex Patch Cord
Fiber Type	Single Mode (SM)
Connector Type	LC to SC Duplex
Length	20 Meters
Polishing	UPC (Ultra Physical Contact)
Jacket	PVC
Data Rate	Supports high-speed optical transmission
Application	Data centers, enterprise networks, server rooms
Standards	IEC, TIA/EIA
Operating Temperature	-20°C to 70°C

## **Key Features**

- 20-meter single-mode duplex fiber patch cord
- LC to SC connector for flexible connectivity
- UPC polishing for minimal signal loss
- Durable PVC jacket for protection and longevity
- Tested to industry standards for reliable performance
